

Coming October 27-28, a 2-day intensive CE opportunity:
**15 hours of training in
 Technology-Assisted Services**

If you are an LMFT practicing in Texas, you are **REQUIRED** to have 15 hours of training to participate in technology-assisted services after January 1, 2018.

We believe that technology-assisted therapy and supervision can be a valuable tool for clinicians in meeting the mental health needs of our communities. Because of this, we are offering our 15-hour intensive training at a \$75 discount! The schedule for the 5 courses in the series is below. Click on any workshop title for a full brochure and information.

Those who complete all 5 workshops will receive a CE certificate for each workshop and a framable certificate of completion once they do all 5 workshops.
