PRESENTS

The Intersection of Maintaining a HIPAA-Compliant Practice & Meeting Ethical Standards

October 10, 2017

8 a.m. - 11 a.m. ET (7 a.m. - 10 a.m. CT)

Online via WebEx

Course Description

This course is a beginning to intermediate level training that will serve to introduce and update mental health providers to the intricacies of HIPAA and provide some guidance on how to apply these regulations to ones' practice.

There were many changes to HIPAA in 2016. This course will look at various interpretations of HIPAA considering the rapidly changing internet and cloud technology. This course will review the standards required by HIPAA as they relate to Professional Association Codes of Ethics. A state-by- state review of licensure board analysis is not provided; however, a discussion of how to review HIPAA considering State regulations will take place.

Objectives:

- 1) Discuss the basics of HIPAA
- 2) Understand how to become HIPAA compliant
- 3) Ethic Codes and Professional Associations on Digital Records

About the Presenter

Tony is an LMFT in the state of Alabama and he provides clinical services in his private practice and he works as a military and family life counselor. Tony is a certified trainer for AMSR, Assessing and Managing Suicide Risk, as well as a certified trainer in several other evidence-based treatments. Formerly, he was an administrator and therapist with Northkey Community Mental Health in Northern Kentucky. He is also a former chair of the Kentucky Board of Licensure for Marriage and Family Therapists. Mr. Watkins is a seasoned workshop presenter, presenting routinely on MFT Ethics, MFT Supervision, and a number of other topics. His wealth of experience from serving the licensure board, along with his work in community mental health are great assets to each of the presentations in which he is involved.

Workshop Registration

InteractiveCETraining provides high-quality, interactive, relevant learning events delivered via in person and online learning technology. This learning activity will be delivered via WebEx. Registrants will receive information on accessing the trainings at least 24 hours prior to the trainings. ICET provides live support prior to the training for those needing help accessing the training. Information on accessing and participating will be sent to you after we receive your registration. There is no need for camera capability to access.

You may register online at: www.interactivecettraining.com or utilize the form below to register by mail at a cost of \$75.

Name: _____

Address: _____ City _____ St. _____ Zip _____

Phone: _____ Email: _____

I am registering for: _____

All correspondence will be sent to your email unless you specify otherwise in writing. Refunds subject to 25% processing fee. No refunds 1 week prior to workshop. All mailed registration forms must be received no later than 7 DAYS prior to the training. Make checks payable to **InteractiveCETraining** and mail check to:
